Grading scales

Like New Condition

This product exhibits minimal signs of wear, boasting a pristine appearance with little to no scratches and without cracks, or scuffs on both the screen and housing, ensuring a top-tier experience for the discerning buyer.

What to expect

- 60 Day warranty period.
- Data wiped & ready to sell.
- Clean ESN / no iCloud / MDM Free / No FRP
- 60 Point software / hardware testing passed

Device sample images for this grade

Excellent Condition

This product can showcase very minor scratches, does not have any dents, and may present extremely subtle scuffs on both the screen and housing. It has been thoughtfully preserved, ensuring a high-quality experience for its next owner.

What to expect

- 60 Day warranty period.
- Data wiped & ready to sell.
- Clean ESN / no iCloud / MDM Free / No FRP
- 60 Point software / hardware testing passed

Device sample images for this grade

Great Condition

This device can exhibit minor scratches, yet remains free from cracks, with only minor scuffs present on both the screen and housing. While there are some cosmetic imperfections, they do not detract from the overall functionality of the device, ensuring a satisfactory user experience.

What to expect

- 60 Day warranty period.
- Data wiped & ready to sell.
- Clean ESN / no iCloud / MDM Free / No FRP
- 60 Point software / hardware testing passed

Device sample images for this grade

Good Condition

This device can display heavier scratches, though it remains free from cracks, with visible scuffs present on both the screen and housing. Despite these signs of wear, the device is structurally sound and fully operational, ready to fulfill its intended purpose for its next user.

What to expect

- 60 Day warranty period.
- Data wiped & ready to sell.
- Clean ESN / no iCloud / MDM Free / No FRP
- 60 Point software / hardware testing passed

Face ID Touch ID issue

This category is a mix of Grade B and C, may show various degrees of cosmetic imperfections. While structurally sound, the device may display noticeable wear and tear on its exterior. Additionally, it's important to note that the Face ID or Touch ID functionality is not operational. Despite these limitations, the device remains functional for basic usage, making it suitable for users seeking functionality over cosmetic perfection at a reduced price point.

What to expect

- 60 Day warranty period.
- Data wiped & ready to sell.
- Clean ESN / no iCloud / MDM Free / No FRP
- 60 Point software / hardware testing passed
